

## *Cambridge Studies in Historical Geography*

*Series editors:*

ALAN R. H. BAKER J. B. HARLEY DAVID WARD

Cambridge Studies in Historical Geography encourages exploration of the philosophies, methodologies and techniques of historical geography and publishes the results of new research within all branches of the subject. It endeavours to secure the marriage of traditional scholarship with innovative approaches to problems and to sources, aiming in this way to provide a focus for the discipline and to contribute towards its development. The series is an international forum for publication in historical geography which also promotes contact with workers in cognate disciplines.

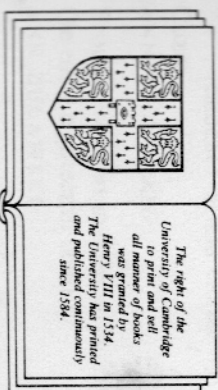

- 1 Period and place: research methods in historical geography. *Edited by* A. R. H. BAKER and M. BILLINGE
